## Movie Lovers

*Posted by Órla and Karolyn*

Welcome to the first issue of the 'OK' blog. Today we're going to talk about what we enjoy most in films. What's better than cosying up on a couch on a winters eve draped in blankets with a steaming cup of hot chocolate watching an old classic Disney movie?

Watching a movie takes your mind off the work and stress of school life. It lets you relax and wind down before you go to bed.

We love seeing our favourite actors play new characters in different films for example Johnny Depp transforming from Willy Wonka to Captain Jack Sparrow in one of our favourite films Pirates of the Caribbean.

One thing that makes our Monday a little easier is Monday Madness. Large popcorn and a large drink alongside a cinema ticket all for an unbelievable €10. You can't go wrong!
