

Mini Classroom Based Assessment (CBA)

Title: A Media Report on one mass movement event from the list given.

Mass Movement events:

1. 2017 Mudslide in Mocoa, Colombia
2. 2017 Landslide in Mao County, southwestern China
3. 2003 Bog Burst in Derrybrien, Galway
4. 2016 Landslide in Sri Lanka
5. 2015 Mudslide in California
6. A recent landslide, mudslide or bog burst of your choice.

Success Criteria

I must:

- Name the mass movement event selected.
- Sketch a map showing the country / region in which it occurred.
- Explain briefly what a landslide / mudslide / bog burst is.
- Give details of what caused the landslide / mudslide / bog burst in this area.
- Explain and discuss the economic, environmental and social impact for the people living in this area.
- Describe how the local people and government responded to the landslide / mudslide / bog burst.
- Present my findings as a digital news report.

I Should:

- Give an idea of the financial cost of this disaster (if known)
- Describe how local people might be feeling following the disaster.

Note: You may work on the Classroom-Based Assessment as an individual, in pairs or in groups. If undertaking the CBA as part of a pair or group, it is important to keep note of your own part in the process and your contribution to the group's work. You should indicate this in your response by using a symbol or your initials or a method agreed with your class teacher.
