

What is CBA One?

Geography in the news provides opportunities for students to engage in practical, authentic learning experiences that reflect the world around them.

Students will be graded under one of the following headings.

- Exceptional
- Above expectations
- In line with expectations
- Yet to meet expectations

Questions to consider when completing my mini CBA:

- Have I considered the key geographical questions of who, what, where, when, how and why?
- What are the main environmental, economic or social concerns with this geographical event?
- Are there any links in the geographical event between people and the environment?
- Does this event have any connection with other recent geographical events?
- In what ways does the event impact on the human environment?
- In what ways does the event impact on physical environment?
- What might this event mean for the people living close by?
- What are the consequences of the geographical event?
- Is the response investigated and organised in a clear and logical manner?
- Have I checked that the information I researched is reliable?
- If possible, did I interview anyone who could offer further insight into the event?
- Did I research using a variety of sources to ensure I have a balanced and broad understanding of the event?
- Is the response presented in a creative and effective format?
